GENERAL AND REVENUE SECRETARIAT.

Chs. Sep. 17/80/52-3.

Serial Nos. 5, 6, 27.

Part B for June 1940.

SUBJECT.

Proposal to include the post of the Assistant Secretary to Govt. P.W. & Electrical Dep'ts in the Cadre of non-civil service Assistant Secretaries & to fix the pay of Mr. D. S. Venkanna Assistant Secy. P.W. Dep't at Rs. 450/- in the grade.

Ans. 100/6

ConfidentialSerial
No.

The Chief Engineer, P.W. Department, has, in his D.O. letter dated 28-10-1940, stated that it is absolutely necessary for him to retain the two personal Assistants in the Central Office, in view of the undertaking of projects of magnitude and all-round increase in correspondence, ~~for~~ scrutiny of Estimates, etc.

2. He has also added that in the preamble to the Government order bifurcating the Secretariat from the Chief Engineer's Office, it is mentioned that the Chief Engineer should devote more time for inspections and that the work in the Central Office would be seriously dislocated if one of the posts of personal Assistants is relinquished.

3. In August 1940, the Chief Engineer had made out a case for the creation of a separate post of personal Assistant, (in addition to the existing two officers,) to attend solely to the correspondence and Estimates relating to the Gog Falls project and K.R.S. works. But it was ordered

by Government that an additional post of Assistant Engineer in the Central Office was not necessary, at any rate, at present.

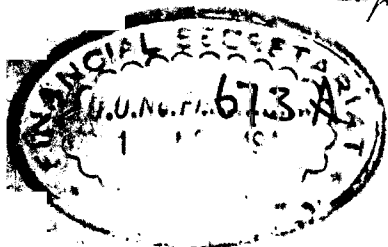

4 The file relating to the formation of Technical Secretariat, with the necessary establishment was forwarded to the Chief Secretary on 16-10-1940.

5 The proposal of the Chief Engineer to continue intact the posts of two personal Assistants to the Chief Engineer's Office requires the concurrence of the Financial Department and sanction of Government.

29/10

IC (see att)
Cmpts

h
29/10

6) I still feel that mere transfer of administrative control of departments from one officer to another does not

justify creation of extra posts. Hitherto, the secretariat work of both the Electrical and Public Works Departments was being attended to by the two assistants of the Chief Engineer. The Chief Engineer is to think that he cannot manage with only one

I think that he may be permitted.

Serial
No.

to have two Assistants, and the work of the Electrical Secretariat alone may be required to be attended to by one of his Assistants as at present. The Secretariat work of the P.W.D. (including Irrigation and Jog) may be entrusted to one of the Assistant Secretaries in the Gen. & Rev. Secretariat and Railway Secretariat, by a suitable redistribution of work.

It may not be impracticable for one Assistant Secretary to be able to handle the Secretariat work relating to both P.W.D. and Railways though his pay is charged to the Railway Funds for the time being.

14.11.40

7)

P.W.D., K.R.S. and Jog work, the require an Assistant and my idea was to combine, Electric and Railway, under one Assistant, as there is not much work in the Ry Dept. It is for this reason, I agree to restructure the hands in the Ry Dept. The work in the present Secretariat will suffer, if the work is to be distributed between one Asst to the C.E. and 2 others in the General Rev. Secretariat.

11)

I am afraid it may not be practically for me to agree to the wholesale surrender of the Asst. Secy (Financial Branch). I believe the work relating to Excise, Stamp & Registration which were being dealt with by him formerly as a case work attached to the Financial Branch may be transferred to him if necessary. However, the Chief Engineer has much work & cannot spare his assistant for Secretariat work, and the post may be created temporarily for a couple of years in the first instance if absolutely necessary.

Submitted to His Highness.

16

These papers relate to a proposal to create a post of an additional Assistant Secretary to Government temporarily for a period of two years in the first instance.

T
17

The post of a whole-time Secretary to Government, Public Works, Electrical and Railway Departments, was recently created and Mr. M.G. Mehkri took charge of the appointment on the 23rd September 1940. The gazetted staff of these three Secretariats previously consisted of a Civilian Assistant Secretary in charge of the Railway Secretariat and two non-Civil Service Officers, who were Assistants to the Chief Engineer, and ex-officio Assistant Secretaries to Government. As the duties and responsibilities of the Chief Engineer have of late increased both in volume and importance owing to the undertaking of several works of magnitude, it is considered desirable to continue the existing arrangement of providing two Assistants for him. At the same time, it is also necessary that the new Public Works, Railway and Electrical Secretary should have the assistance of two Assistant Secretaries to work under him, one being in charge of Public Works, Krishnarajasagar and Jog Works, and the other in charge of Electrical and Railway Departments. The question of redistribution of work in the Secretariat among the existing Assistant Secretaries, with a view to seeing if the work could be distributed among them without entertaining any additional Assistant Secretary, was also considered, but in view of the growing volume of work in the Secretariat, it was found inexpedient to entrust the additional work to any of the existing Assistant Secretaries.

18

It is, therefore, considered desirable to sanction the post of an Assistant Secretary temporarily for a period of two years in the first instance, the appointment being treated as a non-Civil Service one. The Members of Council agree to the proposal which may be graciously sanctioned.

Serial
No.Letter No. 271 G.A.D. dated 25th Feb. 1941

from the Comptroller to Govt, requesting the
pay fixed for the appointment of Asst.
Secy to Govt in the Non-Civil Service cadre
for a Public Works Secretariat.

29) The Secretary to Govt, Public Works,
Electrical and Railway Departments,
has been given the assistance of two^x
Asst. Secretaries. One of these posts is
held by an Asst. Comr. and the other
by a non-Civil Service officer ^{Mr Nianjanraji} ~~the post~~
~~who holds the former and~~
~~is held by a~~ Mr. D. S. Venkanna
holds the latter.

The post of Asst. Secretary to Govt
(Non-Civil Service) carries the grade pay of
Rs 250-40 $\frac{1}{2}$ -450. Mr Venkanna is an
officer drawn from the Public Works
Department. He is an Asst. Engineer
drawing a pay of Rs 400/- in the
grade of Rs 200-40 $\frac{1}{2}$ -400. He is, however,
permitted to have a lien on his
permanent appointment in the Public
Works Department, so long as he holds
the post of Asst. Secy to Govt. He will,
thereby, become entitled to the franchises
that would accrue in that Department.
It does not therefore appear to be necessary
to reduce the existing scale of pay of
the fixed for the post of Asst. Secy to
Govt (Non-Civil Service) to ~~that~~ ~~the~~ coincide

Serial
No.

with the scale of pay of the present incumbent. This is for orders.

Secondly the maximum pay of the post of Asst. Secy to Govt is Rs 450/- while that of an Asst. Engineer is only Rs 400/- Mr Venkanna is now in receipt of a pay of Rs. 400/- He may perhaps prefer a claim for the grant of increments in the grade of Rs 250-40/2-450. Such a contingency would arise only after Mr Venkanna acts in the grade for two years.

Submitted for orders.

KMR
12.3.41

30)

The grade pay of the non-civil service Asst. Secretary to Govt. is fixed at Rs. 250-40/2-450. But it does not seem to be the intention of Govt. to apply this in the case of an officer appointed as Asst. Secretary to Govt., P.W., Elec. & Rly. Depts. Such an officer is generally expected to be drafted from any one of the Depts P.W., Elec. or Rlys. During the period of his appointment as Asst. Secretary, he will continue to draw the same scale of pay as in his permanent appointment. The Comptroller may perhaps be informed on the above lines.

If approved the Financial Secy. will be consulted in the matter.

35)

There are two courses open in a case like this, viz.

(1) to treat the appointment as a tenure one

(2) to treat include it in the cadre of Asst.

Secretaries to Govt.

If course (1) is adopted, it is only fair that an
allowance of Rs 50/- p.m. should be given to the
officer drafted for this work as this kind of
work is not one which is normally expected
from a B.D. officer. He has to deal with Secretaries

If course (2) is adopted, the scale fixed for all
the Asst Secretaries may be conceded to the B.D.
Asst Secy also.

I think course (1) may be adopted.

The system of granting allowances to officers

Serial
No.

in addition to their salary was examined in detail and strongly criticized by the Retrenchment Committee of 1931 and the allowances that were attached to several posts both in and outside the Secretariat were abolished by Government when passing orders on the Committee's recommendations. It is undesirable to revoke the old and condemned system and sanction an allowance of Rs. 50/- in the present case. Even Secretaries to Government are but permitted to draw their grade pay in the general line without any addition to their emoluments and there is little or no justification for giving an additional allowance to an Assistant Secretary. In the circumstances, the Financial Department has to respectfully disagree with the recommendation now made, both on grounds of principle and also of its constituting an inconvenient precedent. I may also mention that two officers belonging to the Judicial Department have been working in the Secretariat as Assistant Secretaries without any addition to their emoluments in the form of allowances.

In the light of the recent note of the Chief Secretary, if, however, Government desire to give weight, on administrative grounds, to the suggestions made, the second of the alternatives may be adopted, Mr. D.S. Venkanna being started on Rs. 410/-, as it is less objectionable on grounds of principle.

CB 37-40-5

P. W. SECRETARIAT,

251

Dear Mr. Mehkri,

Date 29.10.40.

In connection with the separation of the Public Works Secretariat from the Chief Engineer's Office, I learn informally that there is a proposal to retrench one of the posts of Personal Assistants in my office.

2. In this connection I wish to point out that the work in the Central Office is very heavy indeed. A grant of nearly $1\frac{1}{2}$ crores of rupees will have to be worked out during the current year. Owing to the increase in the volume of correspondence, and the receipt of numerous and complicated estimates from the Municipalities, Sanitary Bureau, etc., for scrutiny and sanction, it was found difficult to manage even with two Personal Assistants. I had therefore recommended sanction for the entertainment of a third Assistant, to attend solely to the correspondence relating to the Jog Falls Hydro-Electric project and Krishnaraj Sagar Works. The establishment has also increased considerably in recent years. The correspondence with the Madras Government in connection with the development of irrigation in the Cauvery valley has been steadily on the increase. Two full time assistants are quite necessary to cope with the increasing work in the Central Office, in the interest of efficiency and prompt disposal of papers.

3. I may also add that in the preamble to the Government Order separating the Public Works Department Secretariat from the Chief Engineer's Office, it is mentioned that I should devote more time for inspections. The Jog Falls Hydro-Electric project will have to be organised on a larger scale. I will have to inspect the Jog and

other important works in progress all over the State as frequently as possible. The work in the Central Office will be seriously dislocated if one of the posts is -- retrenched. In fact, it will practically be impossible to manage with only one Personal Assistant.

3. In these circumstances, I request you to be so good as to move the Government with your support in the matter of continuing the two Personal Assistants in my office, as recommended by me previously in my note dated 30.8-1940, in connection with the Secretariat staff.

Yours sincerely,

B. Sarabhai 28/9/40

PROCEEDINGS OF THE GOVERNMENT OF H.H.
THE MAHARAJA OF MYSORE.

READ:-

G.O.No.1156-60/C.B.37-40-1 dated 4th
Sept. 1940, creating a separate post of
Secretary to Govt., Public Works, Electrical
and Railway Depts.

2. Letter No.679 dated 28th Oct. 1940
from the Chief Engineer requesting in the cir-
cumstances explained that the two posts of ~~his~~
Assistants ^{to the C.E.} may be continued.

ORDER NO. 3046-48

Dated, Bangalóre,

3.2.41.

The Subordinate Gazetted staff of the
Public Works, Electrical and Railway Sectts.
previously consisted of an Asst. Secretary
in charge of the Railway Sectt., and two offi-
cers drawn from the Public Works Dept., who
were Assistants to the Chief Engineer and
Ex-officio Asst. Secretaries to Govt. The
duties and responsibilities of the Chief Engi-
neer, having of late increased both in volume
and importance, it is considered necessary
that the existing arrangement of ^{his being} ~~providing~~ him
~~assisted by two Asst. Engineers,~~
~~with two Assistants~~ should be continued. At
the same time, it is also found necessary that
the Secretary to Govt. Public Works, Electri-
cal and Railway Depts. should ~~have to~~ be given

the assistance of two Asst. Secretaries to work under him.

Government are therefore pleased to direct that in addition to the existing post of ^{an} civil service Asst. Secretary ^{from the Civil Service Cadre} who is now in charge of the Railway Sectt., an additional appointment of Asst. Secretary to Govt. be sanctioned temporarily for a period of two years, the post being treated as a non-Civil Service one.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

Read:—

Govt. order No. 1156-50/O.B. 37-40-1 dated 4th September 1940, creating a separate post of Secretary to Government, Public Works, Electrical and Railway Departments.

A letter No. 679 dated 23rd October 1940 from the Chief Engineer regarding the circumstances explained that the two posts of assistants to the Chief Engineer may be continued.

....

Order No. 3046-48/CB 37-40-6

Mysore, Bangalore, the 1st February 1941.

3rd

The administrative department of the Public Works, Electrical and Railway Department previously consisted of an Assistant Secretary in charge of the Railway Secretariat, and two officers drawn from the Civil Service Department, who were assistants to the Chief Engineer and Assistant Secretaries to Government. The duties and responsibilities of the Chief Engineer, having of late increased both in volume and importance, it is considered necessary that the existing arrangement of his being assisted by two Assistant Engineers should be continued. At the same time, it is also found necessary that the Secretary to Government, Public Works, Electrical and Railway Departments should be given the assistance of two Assistant Secretaries to work under him.

Government are therefore pleased to direct that in addition to the existing post of an Assistant Secretary from the Civil Service cadre who is now in charge of the Railway Secretariat, an additional appointment of Assistant Secretary to Government be sanctioned temporarily for a period of two years, the post being treated as a non-Civil Service one.

The Comptroller to Govt.,

Through The Finl. Sectt.

...

Sir,

With reference to your letter No.271/G.A.D. dated 25th February 1941, I am directed to state that the additional appointment of Asst. Secy. to Govt. sanctioned in G. O. No.3046-48/C.B.37-40-6 dated 3rd Feby. 1941, is to be treated as a Non-Civil Service one. But it is not necessary to fix the pay of the appointment, as the officer who is expected to fill the post, may be drafted from any of the three Departments, viz., The Public Works, Electrical or Railway Deptt. During the period of his employment as Asst. Secy. the officer will generally continue to draw the scale of pay of his permanent appointment.

I am to add that during the period of his employment as Asst. Secy. to Govt., Mr. D. S. Venkanna, Asst. Engineer, doing duty as Asst. Secy. to Govt., Public Works and Electrical Departments, will, as a special case, be placed in the grade of Rs.250-40/2-450 and permitted to draw a pay of Rs.450/- in the grade with effect from the 27th April 1941.

I have, etc.,

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat

Dated, Bangalore, 30th May 1941.

No. 4301/CB 37-40-7

3/21

From

Rajasevaprakashtha

B. T. KESAVAIENGAR, Esq., B. A.,

Chief Secretary to the Government of His Highness

the Maharaja of Mysore.

To

The Comptroller to Government,

Through The Financial Secretariat.

Sir,

With reference to your letter No. 271/G.A.D. dated 25th February 1941, I am directed to state that the additional appointment of Assistant Secretary to Government sanctioned in Govt. Order No. 8016-26/G.A.D. 37-40-3 dated 3rd February 1941, is to be treated as a non-civil service one. But it is not necessary to fix the pay of the appointment, as the officer who is expected to fill the post may be drawn from any of the three departments, viz., the Public Works, Electrical or Mining Department. During the period of his employment as Assistant Secretary, the officer will generally continue to draw the scale of pay of his permanent appointment.

I am to add that during the period of his employment as Assistant Secretary to Government, Mr. M. S. Voakanna, Assistant Engineer, doing duty as Assistant Secretary to Government, Public Works and Electrical Departments, will, as a special case, be placed in the grade of No. 250-40/3-40 and permitted to draw a pay of Rs. 450/- in the grade with effect from the 27th April 1941.

I have the honour to be,

Sir,
Your most obedient servant,

BK Ramakrishnaiah

Jr. Chief Secretary to Government.

B
